Region II  
Carig, Tuguegarao City  
Cagayan

Dear Atty. Tayaban,

Greetings of Love and Peace from the SCAAP!

Pursuant to Presidential Proclamation No. 28 dated September 2, 1986 and Presidential Proclamation No. 264 dated September 23, 2002 as the National Science Club Month, the Science Club Advisers Association of the Philippines (SCAAP) in cooperation with the Department of Education will conduct its National Science Club Month Celebration Seminar / Workshop for Science Educators at the Aberdeen Court, Quezon Avenue, Quezon City on September 27-30, 2015 with its theme "Bracing for the BIG ONE :Its Effect to Biodiversity"

The Seminar/Workshop aims to:

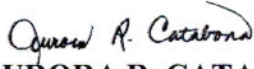

1. assess programs and projects implemented in connection with the celebration of the NSCM ;
2. develop knowledge and skills of science mentors for quality instructions in teaching the effects and damages of earthquake and related hazards to biodiversity;
3. encourage a strong sense of commitment among mentors to explore ideas and concern to disaster awareness and preparedness ;
4. conduct practicum on earthquake drill and determine the effect and damages of earthquake and
5. strengthen volunteerism engagement among science club advisers and community .

In this light, may request you to please send your delegates to attend the said National Science Club Month (NSCM) Seminar / Workshop to be held at Aberdeen Court on September 27-30, 2015.

Your utmost unwavering support to the SCAAP is an indication of your great concern to the program of the organization and the science club movement.

Thank you very much!

Very truly yours,
