Dear **Ma'am Cariño**:

Greetings from the Jaime V. Ongpin Foundation, Inc.!

May we introduce to you our organization, the JAIME V. ONGPIN FOUNDATION, INC. (JVOFI). We are a non-government organization/foundation duly registered with the Securities and Exchange Commission and certified by the Philippine Council for NGO Certification (PCNC). JVOFI was founded on December 17, 1980 by the late Jaime V. Ongpin, who envisioned the development of self-reliant communities. The Foundation currently supports development projects like livelihood, health, environmental and other social services in selected areas in Luzon, Visayas and Mindanao.

Since 2013, we have been conducting Learning and Developmental Activities (Summer School) in the selected tobacco growing municipalities of Ilocos Sur, Abra, La Union, Occidental Mindoro, Claveria Misamis Oriental and Bukidnon to progressively eliminate child labor in tobacco production.

We would like to inform you that this year, we will be expanding to the selected tobacco growing communities of Isabela and Cagayan thru the conduct of Let's PLAY (Promote Learning Activities for the Youth) Program starting this April 2019 to discourage children from engaging in tobacco post-harvest activities. The program will focus on Music, Dance, Sports and Reading and will run for twenty (20) days targeting one hundred (100) children vulnerable to child labor.

In this regard, may we request your approval to allow the selected schools in the following municipalities to work with us in this endeavour and for us to communicate directly with the school principal/head teacher for the implementation of the said activities.
