This is an invitation for you to enroll in the course: Teach On: Keeping the Passion Alive.

It is a learning journey to re-inspire, rekindle and sustain YOUR passion for teaching, especially in the new normal.

Don't worry the course is self-paced to ensure your success as a learner of the course. You can access it for two (2) full months from **November 19, 2021 to January 21, 2022** at any time of the day or

night. This provides you with sufficient runway to manage your time and location to complete the 40 training hours (or equivalent) of coursework.

For ALS Implementers from the Department of Education, we have reserved slots for you. Click this link <https://bit.ly/howtoenrollteachon2021-4>

Successful completers of the course will get an International Certificate from SEAMEO INNOTECH. Teach On is accredited by PRC (15 CPD units) and NEAP.

This initiative is part of the efforts to strengthen capacity of ALS implementers to deliver 2nd chance education for OSYs and adults under the USAID Opportunity 2.0 Project. Opportunity 2.0 Program will cover the P500 fee for successful DepEd ALS completers.

Looking forward to having you in this program.

Sincerely,

Analyze and JY
